

# **User stories**

## **(Highest priority to lowest)**

As a user, I would like a main menu.

As a user, I want the ability to spin and move around the screen with spacelike motion.

As a user I'd like an aesthetically pleasing interface.

As a user, I would like nice graphics.

As a user I'd like to be able see my score, save my score, and see a list of high scores.

As a user, I'd like to have set up options for the game.

As a user, I would like to have a pause button so that I may choose to quit the game, or enter the in-game store.

As a user, I would like to have a store so that I can buy new skins, abilities, music, and boss battles.

As a user, I would like a boss battle.

As a user, I want the ability to pick up power ups like shields and upgraded weapons.

As a user, I want some music playing in the background.
